

Golden Gear Car Club collects for Toys for Tots

The Golden Gears Car Club, which has been in existence for 40 years, recently completed their annual Toys For Tots toy drive. Their final drive was held at the Westview Center in front of the movie theatres on Dec. 13. with Mr. & Mrs. Santa present as well as the Marines.

The car clubs total collection for the year was \$7,000 worth of toys and \$2,000 in cash. These toys get distributed all over Frederick County including the Middletown Valley.

The Golden Gears Car Club for the past several years has averaged around \$10,000 which is given to local Frederick County charities only. This is over and beyond what they collect for Toys for Tots and is raised through fund raiser car shows and cruise in's. Part of the money raised also goes to local Veteran organizations within Frederick County.

For more information about the club and events go to www.goldengears.org and also our face book page. Submitted by Mike Locke.
